

CAUX INTERNS PROGRAMME

a training opportunity for young people
in the international conference centre
of Initiatives of Change in Switzerland

2012

You can have a part! To support the work of the Caux Conferences, CAUX-Initiatives of Change and the Interns Programme depends on voluntary contributions in the form of voluntary work, conference contributions or donations. We are grateful for any support you can give.

The total budget of the Interns Programme, which in 2011 welcomed over **60 interns from 20 different countries**, is **100,000 USD**. To make this opportunity available as widely as possible, including to those from developing countries and with limited income, all the living expenses during the internship are covered by the programme. There are two sessions for the Interns Program, and the cost for the stay of one intern in 2012 will be approximately **1785 USD**.

Please send your donations to:

Foundation CAUX–Initiatives of Change, CH-6002 Lucerne:
